2009 GSNZ

Recommendation for 2010 Summary Sheet

Marketing/Sponsorship

- Send copy of information directly to clubs
- Get the RST's involved
- Posters are looking too similar – new look for 2010

Entries

- Entries due 6 weeks prior to event
- Withdrawal form and process
- GSNZ invoices directly to the school worked better
- Electronic entry forms
- Review MAG and WAG rules/levels/grades
- Review hip hop rules
- AER music levels named on the entry form

Timetable

- Have the highest grades in the middle of the day
- Ensure MAG and TRA are announced more
- Ensure start lists go to marshals and control table 30mins before competition starts

Programme

- Smaller size was good
- Promotion on how each gym sport works
- New pictures

Accreditation

- 'Athlete' accreditation not individual worked well
- Get accreditations out before winter tournament week starts

Judges

- Keep the same control judges for each code

Venue Set Up

- Formal 'logistics' timetable be formed with team leaders with knowledge
- RG floor from Xtreme worked well

Venue

- With Aerobics change to new code for 2010 seating will be a problem as groups will require a 10x10 area.

Office

- Two people in office at all times worked well
- Person organising the office produces a stationary list of all requirements

Front of House

- Have a volunteer entry space
- Change to spectators using stairs and athletes using ramp worked well

Equipment

- Keep the same as 2009

Merchandise

- Event T Shirt pre ordered with entries

Volunteers

- Separating Tri Star volunteers for equipment worked better
- Finalise volunteer list earlier

Results

- Ensure Score master is set up to cope with non FIG rules

Prize giving

- Using the small gym worked better
- Sound system in small gym

Venue Set Down

- Cancel Extreme classes on Sunday

Budget

- Ensure sponsorship for sound system, seating, head sets
