RE:	Steps Qualification Marks	NOTE:	

PURPOSE

To inform the Women's Artistic gymnastics community of changes to the Step qualification marks.

COMMENT

Steps

After discussions with the Sport Development Committee and the Women's Artistic Gymnastics community at large we have revised the qualification marks for the Steps programme for this year (2011).

The revised marks are as follows;

- Step 1 - 6 50.00
- Step 7 44.00
- Step 8 47.00
- Step 9 45.00
- Step 10 45.00

Individual apparatus marks;

- Step 7 11.00
- Step 8 11.75
- Step 9 11.25
- Step 10 11.25

Please be aware that we will be reviewing this at the end of this year for 2012 qualifications.

All other requirements to move up a Step remain unchanged from the manual.

It is extremely important the coaches put their gymnasts in the correct Step to ensure they can achieve and enjoy the sport.

We as a committee have made a point of watching the competitions this year as we are based around the country and have attended most of them in some way or another. Overall we have been impressed with the progress of the gymnasts and the improvements they have made throughout the year.

Thank you to the clubs and coaches for embracing the programme and working with it and congratulations to the coaches and gymnasts for your success with it this year.

Regards
