Dear GymSports Colleagues

It is now time to begin to think about sanctioned events for 2009.

Please find attached the 2009 sanctioned event initial application form. The process for applications is:

1. The member club fills out the application form and submits it to their local GymSports Officer. **Forms are due by Friday 14th November 2008.** (Please note sanctioned competition period dates on application form)
2. The proposed competition dates are then discussed within each region and the GSOs will liaise with their local club's if any clashes occur within the region.
3. Each GSO submits the forms to Natalie Gabites –Membership Services Manager who will distribute them to each of the appropriate Sport Development Committees on **Friday 21<sup>st</sup> November.**
4. Each Sport Development Committee will then put together the National calendar for their code and return to Natalie Gabites who will distribute the final 2009 Events Calendar to GymSport Members on **Wednesday 10<sup>th</sup> December.**

More information will be distributed on Tuesday 28<sup>th</sup> October in Enews re clarification around the 10% Licensing fee, athlete qualification and competition distribution.

Please do not hesitate to contact me if you have any questions.

Kind regards

**Natalie Gabites**
